

RINSESMART

CARPET ALKALI NEUTRALISER/ANTI-STATIC

Chemsmart Rinsesmart is a pleasantly fragranced, mildly acidic liquid designed to neutralize residual alkalinity and detergent in carpets and upholstery, and reduce static build up.

BENEFITS

- Highly concentrated
- Excellent anti-static properties
- Powerful fragrance to assist with the removal of lingering odours

Sizes available: 5L and 20L

DIRECTIONS

- Dilute 1 part with 20-100 parts water depending on pile density. Do NOT run through metal machine pumps, as brass, iron and other alloys are attacked by this product.

SAFETY

For product safety and handling, first aid, storage and transportation: Refer to SDS for further information.

Keep out of reach of children. Not to be taken.

LIMITATION

Customers must evaluate Chemsmart products and make their own determination as to fitness of use in their particular applications.
